Knowing God's Glory

A&O 14th Anniversary Celebration Convention
Wed 27 July - Sun 31 July

A Word From The Bishop

KNOWING GOD'S GLORY

As we approach our forthcoming Summer Convention, I am constantly reminded of what the Spirit of the Lord said to me at the end of 2004.

We are living in a season of change, it is a season to release the prophetic word that will lead us to our prophetic destiny.

I am very excited about our theme and the line-up of speakers from around the world, who will be sharing and demonstrating the power of God. This year's theme "Knowing God's Glory" is taken from Exodus 33:18. Moses experienced God's power, splendour and majesty after talking and walking with Him face to face.

Through walking in this glory, Moses was able to deliver the children of Israel from Egyptian bondage. He made a strange but very powerful request "Lord I beseech thee show me your glory". I began to search scriptures and found that the word 'Glory' appears approximately 398 times in the Bible. 'Glory' is the manifested presence of the divine attributes and perfections of God. All that God is, and all that God will do is in his Glory, it is only through the Glory (God's Presence) that we will be able to successfully fulfil God's purpose and plan for our lives. In his presence we are equipped, sustained, and blessed with everything we need to defeat the enemy. In His presence we have strength, boldness and power.

In II Chronicles 5: 3-14 we read that the priests, the singers and all the musicians sang and worshipped in unity saying "For he is good and his mercy endured forever, the house was filled with the cloud" - (God's presence). The priest could not stand to minister by reason of the cloud (God's presence) for the Glory of the Lord had filled the house of God.

In the manifestation of God's Glory, **No sickness! No disease! No lack! No poverty! No demons!** can stand in the manifested presence of God! The Body of Christ is not here by coincidence or accident because before the foundation of the world, we were destined to express God's Glory on the earth.

I personally believe our spiritual journey is to find God's Glory, the manifested presence of God. Our cry of the hour must be like Moses, "Lord I beseech thee show us your glory". Endeavour to attend all sessions; your life will never be the same::

God Bless You::
